Reg. No. 60195-053  
PO Box 2000

I'm asking for an internal investigation into the Nassau County district Attorney's office of Kathleen Rice, i.e., Kathleen M. Rice, ADA Joseph Dompkowski, ADA Rick Whelen, Detective Angelo LaMorte of the Nassau County Police Dept. and all state agents involved in the wiretapping of **Criminal Case No. 10-Cr-991 (S-1)(JS)**, filed in United States Federal Court (EDNY), for committing felony acts of perjury in violation of NYS PL. 210.10, for violating Oath of Office, Breach of trust, Official misconduct and conspiracy.

## **COMPLAINT**

### **Background**

In the investigation into Dominick Curatola and defendant's for the sale and distribution of marijuana, Det. Angelo LaMorte of the Nassau County Police dept., District Attorney Kathleen M. Rice, Assistant District Attorney Joseph Dompkowski and Assistant District Attorney Rick Whelen committed felony acts of perjury in violation of NYS PL. Section 210.10, by swearing falsely by way of affidavit to State Supreme Court Justice Leonard B. Austin in regards to the number of calls made between defendants and the subject telephone they were seeking a court ordered eavesdropping warrant, thus securing the eavesdropping warrant and evidence in the above mentioned case by way of fraud.

## **STATEMENT OF FACTS**

1. Det. Angelo LaMorte of the Nassau County Police Dept. was seeking an eavesdropping warrant to authorize the interception and recording of certain telephone and electronic communications taking place over the wireless telephone that was assigned personal telephone number ("PTN") (631) 334-4123 and electronic serial number ("ESN") 268435458807841383, listed to Joe Coniglio, 860 Broadway Avenue, Holbrook, New York (hereinafter the Curatola cell phone IV") for a period of 30 days, as he claimed the communications taken place over the "Curatola cell phone IV" related to crimes of Criminal sale and possession of a controlled substance. (See: Disc No. 24, wire # 00000448 ---00000501, July 7, Affidavit of Det. Angelo LaMorte)

2. In support of Det. Angelo LaMorte's incorporated Affidavit he claimed his review of call detail data supplied by Sprint regarding the "Curatola cell phone IV" disclosed that between (June 29, 2010 and July 2, 2010) about one hundred and ninety (190) calls were placed between the "Curatola cell phone IV" and telephone number (631) 873-7307, a telephone used by Eric Priemer. (See: disc #24 WIRE # 00000490, pg. 44 par. 72, July 7, 2010 Affidavit of Det. Angelo LaMorte)

### **FALSE INFORMATION**

3. The phone records of (631) 873-7307. The telephone used by Eric Priemer show there were only six (6) calls placed between Eric Priemer and the "Curatola cell phone IV" between (June 29 and July 2, 2010), not the one hundred ninety (190) calls as det. Angelo LaMorte falsely claimed. There were in fact no calls placed on either (June 29<sup>th</sup> or 30<sup>th</sup>) between the parties. (See: Attached Phone records of (631) 873-7307), the phone used by Eric Priemer.

4. District Attorney Kathleen M. Rice, ADA Joseph Dompkowski, and ADA Rick Whelen all sworn by way of Affidavit that they were familiar with the facts contained in the Affidavits of Det. Angelo LaMorte, that they submitted to State Supreme Court Justice Leonard B. Austin. (See: disc # 24 Wire No. 01 --- wire No. 001246)

#### **ADA Dompkowski**

"as set forth in the Affidavit of Detective Angelo LaMorte of the Nassau County Police Department, which I have read and which is incorporated in and made a part of this Affidavit, an ongoing investigation being conducted by the Nassau County District Attorney's Office and the Nassau County police Department has revealed probable cause to believe that....."

#### **DA Kathleen M. Rice**

"I am familiar with the facts contained in the affidavits of assistant District Attorney Joseph Dompkowski and Detective Angelo LaMorte of the Nassau County Police Department, which are annexed hereto and made a part of. Based upon the facts set forth in those affidavits, there is probable cause to believe that....."

5. Det. Angelo LaMorte fabricated the number of calls made between the "Curatola cell phone IV" and telephone number (631) 873-7307, a telephone used

by Eric Priemer to show a high volume of calls 'that never existed' thus committing perjury to secure the wiretap issued by State Supreme Court Justice Leonard B. Austin, violating defendants 'Procedural due process Rights'.

6. Det. Angelo LaMorte mentions specific numbers of calls placed between numerous telephones and the subject telephones he was seeking court ordered eavesdropping on several Affidavits in the investigation of U.S. V. Curatola, and due to the facts above all the Affidavits filed by Det. Angelo LaMorte mentioning number of calls made to subject telephones seeking wiretap authorization need to be investigated.

### **REQUESTING AN INVESTIGATION**

Based on the false information provided by Det. Angelo LaMorte on the number of calls placed to the subject telephone he was seeking court ordered eavesdropping on his July 7, 2010 Affidavit to State Supreme Court Justice Leonard B. Austin, I'm requesting a full in depth investigation by the NYS Attorney General's office, Nassau County internal Affairs Bureau and the United States Attorney's Office to the facts stated above. I'm also requesting the U.S. Attorney's Office to investigate and determine whether the wiretap issued was derived out of perjury, was that evidence then used in the grand jury as a bases to secure indictment as well as convictions in the above mentioned case and whether any Civil or Constitutional violations occurred such as any violation of defendants 'Procedural due process Rights' and to correct any wrong doing to avoid any miscarriage of justice.

Respectfully;

/S/ Brian Sullivan
